Spoken (Solo):

Where should this music be? In the air or on the earth?
It sounds no more; and sure it waits upon some god on this island.
Sitting on a bank, weeping again the king my father's wrack,
This music crept by me upon the waters, Allaying both their
fury and my passion, with its sweet air: thence I have follow'd it,
-or it hath drawn me rather, - but 'tis gone.
No it begins again.

(Ferdinand - *Tempest*)
